## Old Business

- Alcolthon feedback - There was good feedback and discussion on the Alcolthon meetings
  - Christmas Eve/Day had a good amount of food; New Year's Eve/Day had minimal food.
  - Consider supplying food for historically low-contribution meeting blocks.
  - Some regular meetings may not have received clear communication about expectations.
  - An **AI-Anon** meeting at **TAC** was displaced—ensure AA events respect ongoing meetings in shared spaces.
  - Question whether **\$25** is sufficient for providing a meal; sweets were abundant relative to other foods.

**Action item for Budget Committee and Treasurer** - Evaluate the food budget, including sufficiency of the **\$25** guideline if groups will be asked to provide food

- 2026 Budget Planning Committee

The committee met twice and looked at this year's numbers. The questions arose as to why the scholarships funds have gone unused and that maybe it is because groups are unaware of its availability.

## GSR ACTION ITEM as a result of the following discussion:

***A handout was provided describing the D34 Surplus Policy. GSRs: please discuss with your groups and get their feedback on whether the policy should be changed in any way given the current budget surplus. Please provide group feedback prior to the February meeting.***
